Welcome to BOLTON WANDERERS

Welcome to tonight's visitors Bolton Wanderers who are now in their first ever season in Division Four.

The winners of our group in this year's Manx Cup will host the Final on Tuesday, 11th August, 1987. Last Saturday saw us take two points from Turf Moor and Blackburn take two points from their game with Bolton at Burnden Park.

The Burnden Park squad this season will be as follows:—

PHIL NEAL (Defender) — A veteran of more than 700 senior games, the former England full-back picked up a record eighth League Championship medal in May, five months after leaving Liverpool where he spent 11 glorious years. Fifty International caps plus European Cup and League/Milk Cup winners medals make the Bolton player-manager, who began his career with Northampton Town, the most decorated player in the domestic game today.

MARK CAME (Defender) — Made an enormous leap from North West Counties League football to the professional ranks when he joined Bolton from Winsford United in April, 1984. The solid central defender, who made his Wanderers League debut in September that same year, has been a regular in the first team squad ever since.

DAVE SUTTON (Defender) — The tall, blond central defender joined Bolton from Huddersfield Town in the summer of 1985 for a £12,000 fee. He was a member of two promotion-winning teams at Leeds Road after moving from Plymouth where he started his career.

DEREK SCOTT (Defender) — The most versatile player in the Bolton squad. The former England Schoolboy International, who hails from Gateshead, played in almost every position during his 11 seasons with Burnley, making his League debut in the First Division. Joined Bolton in June 1985 for a £20,000 fee.

MARK WINSTANLEY (Defender) — In his first season as a regular member of the Bolton senior squad, the young central defender made his League bow at Bournemouth in March last season.

JULIAN DARBY (Defender) — Can play in defence or midfield, the Bolton-born youngster came onto the scene last season when he made his League debut against Blackpool in March.

WARREN JOYCE (Midfield) — The energetic, enthusiastic all-rounder is in his fifth season in the Bolton first team, after making his League debut at Carlisle in the Second Division in April 1983. He won representative honours as a schoolboy at cricket and rugby before turning to a career in football. Missed last season's Freight Rover Trophy Final through injury.

STEVE THOMPSON (Midfield) — A talented midfield player with a powerful shot, Steve is a penalty spot specialist. A Bolton regular for the past three seasons after graduating from the junior ranks of the Club.

STEVE ELLIOTT (Striker) — Bolton paid Walsall £25,000 for the former Nottingham Forest apprentice who has had spells with Preston North End and Luton Town. Came to prominence at Deepdale after a £95,000 transfer. Scores goals himself but is also regarded as a provider for his attacking colleagues. Steve made his Bolton League debut against Swindon.

DAVE FELGATE (Goalkeeper) — Dave signed for Wanderers at the start of the year in a £16,000 transfer from Grimsby which brought him back to the club he began his career with. The former Welsh international was a regular at Lincoln City before joining the Mariners. He had a three-months loan spell at Burnden Park in the 1985–86 season before returning to Blundell Park.

DEAN CROMBIE (Defender) — Joined Bolton Wanderers on a free transfer from Grimsby Town in the close season having played nine seasons at Blundell Park where he was one of the Mariners most loyal and reliable seniors. More than 350 League appearances make him one of the more experienced members of the Burnden Park squad.

GARY HENSHAW (Midfield) — Another recruit from Grimsby Town, Gary joined Wanderers on a free transfer this summer after five seasons with the Mariners where he started as an apprentice.

JEFF CHANDLER (Midfield/Forward) — The former Republic of Ireland winger is back at Burnden Park for his second spell with the Wanderers following a £20,000 return transfer from Derby County, the club he left Bolton to join two years ago. Kicked off his career with Blackpool and had a spell at Leeds United before joining Wanderers in a £40,000 transfer in 1981.

JOHN THOMAS (Forward) — It cost Wanderers £30,000 to bring John back to Burnden Park five years after he left the club to join Chester. Proved a prolific scorer on his travels which included successful spells at Lincoln and Preston, with whom he scored 28 goals last season.

TREVOR MORGAN (Forward) — The big, London-born spearhead striker has played more than 300 senior games in a career which kicked off at Bournemouth and took him to spells with Mansfield, Bristol City (twice), Exeter and Bristol Rovers. Was Phil Neal's first summer signing when Wanderers paid Bristol City £20,000.

NEIL WHATMORE (Forward) — An anonymous benefactor is sponsoring Neil's fourth spell with Wanderers, the club he started his career with as an apprentice. After nine seasons with Wanderers, during which time they were promoted from Division Three to Division One, he joined Birmingham in 1981 for a record £340,000 fee. Had spells at Oxford United, Wanderers (twice on loan) and Burnley before joining Mansfield with whom he won a Freight Rover Trophy winners medal last season.
